Log in to your facebook account, or sign up for an account to keep up to date with all of the latest news, information, pictures, etc.

Save the address in your browser and on your phone to keep up to date with the best bike club in New Zealand.

For those with capable mobile phones, we will also use facebook to keep you up to date with event information including changes and cancellations (in addition to the more traditional race information line and the web site).

We have decided to limit posts to club administrators, but if you have news, views or photos you wish to share feed these into the club at info@pegasuscycling.co.nz and we will post them up whenever possible
